

2016 Golf Benefit

Golf Once Again Benefits the Endowment!

Once again, the Endowment faithful came out to hit the ball in support of our community and those in need of a little help. After getting rained out on April 17th, the benefit was rescheduled for May 1st and the sun once again shined on us. It is always difficult to get a group this large back together on short notice, but we have a loyal group of supporters and sponsors that stuck with us through rain or shine to net almost \$8,100 for the Endowment funds!

Congratulations to the First Place Winners of the coveted Pastor's Cup:

Pastor Steve with the winning team of Steve Sands, Marvin Coffman, Bob Sterns and Ted Reynolds (not pictured)
