Triumphant Love Announces the Opening of Our Pray-Ground

Triumphant Love welcomes children of all ages along with their sounds and movement as active participants in worship at TLLC.

The Pray-Ground is now located on a carpeted area in the front right corner of the Sanctuary. This space is designed to help keep their hands and bodies busy with quiet Godly play so that their eyes and ears can still be open to experience worship.

Honoring the following best practices will create space for your children while preserving a positive worship experience for all.

- **Families should arrive early** so that kids get acclimated to the setting before worship begins.
- **We hope that families will have discussions** with their children about how a Pray-Ground is different from a playground.
- **Kids will** use their indoor voices (especially during the sermon and prayers) and remember that the worship items are to be shared by all.
- **Children who are 6 years of age and younger** are welcome to use the Pray-Ground. Parent seating is available along the wall. We encourage you to be within a short distance of your child.
- **A parent will sit close to their child(ren)** and be actively involved in helping their children listen and learn in age appropriate ways.
- **Children who are 5-10 years of age** can sit next to their parents in pews with adjacent tables and use the various Bibles provided or quiet items from the Children’s Cart in the Narthex.
- **If your children – or (let’s be honest) you – need a break from worship, we encourage you to take them to our wonderful Nursery or welcoming Family Room.** Our Nursery is staffed for children birth to Pre-Kindergarten and our Family Room has sound from the service so you can continue to follow along.
